Sub: Digital signature campaign concerning FCRA Amendments Bill 2026.

Dear Deans, Parish Priests, Chaplains,

Greetings of peace.

With reference to the proposed signature campaign concerning the FCRA Amendment Bill 2026 and its implications for Christian charitable, educational, healthcare, and social service institutions, we wish to inform you of an important change in the mode of collecting signatures.

The Joint Action Committee, a national body coordinating this initiative, has communicated yesterday that, instead of conducting a physical signature campaign using printed signature sheets, the campaign will now be carried out through a digital signature platform.

In view of this change, we request you not to circulate or collect signatures using the printed signature sheets on Sunday, 5th July 2026. Instead, kindly share the digital campaign link widely among your parishioners through parish WhatsApp groups and other available communication platforms, encouraging them to participate by signing the petition online.

Your support in creating awareness and promoting maximum participation in this campaign will be greatly appreciated.

Thank you for your cooperation and commitment to this important cause.

Forwarding you the whatsapp message along with the link for the digital signature campaign.

Yours Sincerely,

Fr. Savio Fernandes
